Disaster Management

To

The Collector,
Gajapati/ Nayagarh/ Khordha/ Cuttack/ Jajpur/ Mayurbhanj

Sub: Keeping in readiness the available equipment at Shelter and DEOC / ULB level for management of ensuing cyclone.

Sir,

Different types of equipment like 5KVA DG Set, Inflatable Tower Light, Telescopic Tower Light and Chain Saw, etc. have been provided to Multipurpose Cyclone Shelters, Multipurpose Flood Shelters, District Emergency Operation Centre and to some Urban Local Bodies for disasters management purposes. In view of the impending cyclone in Bay of Bengal, it is required that these equipment especially the Generator, Tower Light and Chain Saw are in operational condition so that they can be utilized for management of the ensuing disaster.

It is requested to take immediate steps to get all these equipment checked and get the defective ones repaired. Please take assistance of the fire service personnel in your district for the purpose. Teams may be formed and sent to all MCS/ MFS to complete the work in next two days positively and compliance report sent to SRC office. Where required, Fire Service may be allowed to take the equipment available in MCS/ MFS for use and return after the task is over.

Yours faithfully,

Special Relief Commissioner &
Additional Chief Secretary to Govt.
