**Guidelines on Constitution and Administration of the  
State Disaster Response Fund (SDRF)**

**Introduction**

1. The State Disaster Response Fund (SDRF) is a fund constituted under section 48(1) (a) of the Disaster Management Act, 2005 (53 of 2005) (hereinafter DM Act, 2005). These guidelines are being issued under section 62 of the DM Act, 2005.

**Period of Operation**

2. These guidelines will be operative from financial year 2010-11 and will continue till funder orders.

**Calamities covered under the SDRF**

3. *The SDRF shall be used only for meeting the expenditure for providing immediate relief to the victims of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst and pest attack.*

**Constitution of State Disaster Response Fund**

4. The State Disaster Response Fund will be constituted with the nomenclature "State Disaster Response Fund" in the Public Account under the Reserve Fund bearing Interest in the Major Head:8121-General and other Reserve Fund in the accounts of the State Governments concerned and would be invested as per provisions of paras 18-25 of these guidelines. The balance as on 31.03.2010 in the Calamity Relief Fund (CRF) shall be transferred to the SDRF; and CRF will cease to exist. The State Government shall pay interest to the SDRF at the rate applicable to overdrafts under overdraft Regulation Guidelines of the RBI. The interest will be credited on a half yearly basis. State Governments are required to issue appropriate notifications establishing SDRF as per section 48(1) (a) of the DM Act, 2005 in this regard.

**Contributions to the Fund**

5. The amount of annual contribution to the State Disaster Response Fund of each State for each of the financial years 2010-11 to 2014-15, would be as recommended by the 13<sup>th</sup> Financial Commission. The year-wise shares

of the Government of India and the State Governments are as per Annex 11.2 of FC-XIII Report, Vol.2 reproduced in Attachment-I. Of the total contribution indicated, Government of India will contribute 75% for general category States and 90% for special category States of the total yearly allocation in the form of a non-plan grant. The balance 25% in case of general category States and 10% in case of special category States will be contributed by the State Government concerned.

6. The share of the Government of India to the SDRF shall be paid as Grant-in-aid and accounted for in the Government of India accounts under the major head "3601-Grants-in-aid to State Governments-01 Non-plan grants-109 Grants towards contribution to State Disaster response Fund". Accordingly, nomenclature of "109-grants towards contribution to Calamity Relief Fund" will change to "109-Grants towards contribution to State Disaster Response Fund". The State Governments shall take these as receipts in their budget and account under the Major Head "1601-Grants-in-aid from Central Government-01 Non-plan Grant-109 Grants towards contribution to State Disaster Response Fund". Accordingly, nomenclature of "109-Grants towards contribution to Calamity Relief Fund" will change to "109-Grants towards contribution to State Disaster Response Fund.

7. In order to enable transfer of the total amount of contribution to the SDRF (including the States' share of contribution), the State Governments would make suitable Budget provision on the expenditure side of their budget under the head "2245-Relief on Account of Natural Calamities-05 State Disaster Response Fund-101 Transfers to Reserve Fund and Deposit Accounts- State Disaster Response Fund". Accordingly in Major Head 2245 in sub Major Head:05, Minor Head-101 & 901 the nomenclature "Calamity Relief Fund" will be replaced by "State Disaster Response Fund". Immediately upon receipt of Government of India's share as per para 6 above, the States would transfer the amount, along with their share, if not already transferred, to the Public Account Head indicated in para 4 above.

### **Booking of Expenditure on Immediate Relief**

8. The actual expenditure on relief works will be booked only under respective minor heads within Major Head:2245(01 for drought; 02 for flood, cyclones etc.; 05 for "State Disaster Response Fund" and 80 for General). The expenditure to be charged to the SDRF will be shown as a negative entry under 2245-05-901-deduct amount met from SDRF for relief expenditure.

9. Direct expenditure should not be made from the Public Account. Even if for some administrative reasons, expenditure on immediate relief has

been met under heads of account other than MH:2245, these should be finally booked under MH:2245 through inter-account transfers.

### **Release of Central Contribution to the Fund**

10. The share of the Central Government in SDRF shall be remitted to the State Governments in two instalments in June and December in each financial year. Likewise, the State Governments shall also transfer their contribution to the SDRF in two instalments in June and December of the same year, provided that if Ministry of Home Affairs, upon being satisfied that exigencies of a particular calamity so warrant, may recommend an earlier release of the Central share upto 25% of the funds due to the State in the following year. This release will be adjusted against the instalments of the subsequent year.

11. The share of the Government of India to the SDRF due in a year shall be released to the State Governments subject to fulfilment of the following conditions:-

The second instalment of central contribution to SDRF for 2010-11 and subsequent instalments will be released on receipt on confirmation of accounting procedure as mentioned in paras 6 to 9 above and other conditions as mentioned below in paras 11(ii) to (vii). Any deviations from these accounting practices could result in withholding of further releases until the required accounting procedure is adopted or restored.
- (ii) A 'State Disaster Response Fund' has been duly constituted by the State Government as specified in DM Act, 2005, following the accounting procedure and manner described in paras 4 to 9 above. This

statement is to be provided in the format at Attachment-II, Once Finance Accounts are available expenditure reported for a particular year should match with expenditure figure in Major Head:2245 and balance in SDRF in MH:8121. In case of any discrepancy, the figures in MH:2245 and in MH:8121 in Finance Accounts will be considered.

- (v) The central contribution due in December every year shall be released after the receipt, in the Ministry of Home Affairs and in the Ministry of Finance of an 'Annual Reports on Natural Calamities', prepared by the State Government on any natural calamities, mentioned in para 3 above, faced in the previous year, by September of every year. This Annual Report shall, inter-alia, furnish details of expenditure incurred by the State Government on each of calamities, for each type of expenditure allowed as per the items and norms of expenditure of SDRF/National Disaster Response Fund (NDRF) so fixed by MHA with the concurrence of Ministry of Finance. Format will be prescribed in due course.
- (vi) Whenever SDRF of a State is replenished with additional grant-in-aid from NDRF, the State Government would treat this grant in the same manner as the funds in SDRF as far as transfer and accounting are concerned. However, in such cases, a specific utilization certificate will be required within three months of the financial year in which such a grant is released. Format will be prescribed in due course.
- (vii) The release of instalments shall be made by Ministry of Finance subject to the above conditions being satisfied unless advised by Ministry of Home Affairs to withhold or adjust the release to any State.

or reinvested on the basis of instructions received from the SEC. As in the case of the debit scrolls the banks shall use separate scrolls for the receipts.

If the amount obtained by the sale of auctioned Treasury Bills is not sufficient to meet the liability towards relief sanctioned, the SEC may encash the deposits with the local branches of the scheduled commercial banks. The Central Government dated securities may be sold only if the amount realised by the sale of treasury bills and encashment of the deposits is not adequate.

27. The concerned State Government will pay to the RBI/banks a commission at the rate determined by RBI in consultation with the concerned State Government. These charges shall also be borne by the SDRF as in the case of the charges indicated in para 27. The loss or gain on the sale of securities shall also be taken to the account of the SDRF.

**Operational Guidelines for Constitution and Administration of the  
National Disaster Response Fund (NDRF)**

**Introduction**

1.1 These guidelines shall be called 'National Disaster Response Fund' (NDRF) Guidelines. NDRF is a fund constituted under section 46 of the Disaster Management Act, 2005. These Guidelines are issued under section 46(2) of the Disaster Management Act, 2005 (hereinafter DM Act, 2005), to supplement funds from the State Disaster Response Fund (SDRF) of a State, to facilitate immediate relief in case of calamities of a severe nature.

**Period of operation**

2.1 The guidelines shall come into force with effect from the financial year 2010-11 after notification of NDRF and will continue till further orders.

**Calamities covered under NDRF**

3.1 *Natural calamities of cyclone, drought, earthquake, fire, flood, tsunami, hailstorm, landslide, avalanche, cloud burst and pest attack considered to be of severe nature by Government of India and requiring expenditure by a State Government in excess of the balances available in its own State Disaster Response Fund (SDRF), will qualify for immediate relief assistance from NDRF.*

**National Disaster Response Fund**

4.1 The existing National Calamity Contingency Fund (NCCF) shall be merged into the National Disaster Response Fund, and NCCF will cease to exist. NDRF will be operated by the Government of India for the purpose of providing immediate relief to people affected by the above mentioned calamities which are assessed as being of severe nature, following the procedure described in para 7 of these guidelines. NDRF is classified in the Public Account in the sub-section (b) 'Reserve Funds not bearing Interest' of the Government of India under the major head 8235- 'General and other Reserve Funds' – 119- National Disaster Response Fund'. Accordingly,

nomenclature of the minor-head 119 will change from “National Calamity Contingency Fund” to “National Disaster Response Fund”.

### **Contribution to the NDRF**

5.1 The closing balance of the NCCF at the end of financial year 2009-10 shall be the opening balance of the NDRF in the year 2010-11.

5.2 Funds will be credited into the NDRF in accordance with the provisions of the Disaster Management Act, 2005.

5.3 The budget provision for transferring funds to the NDRF as mentioned in para 5.2 above shall be made in the Demand for grants no. 35-“Transfers to State and UT Governments” (under non-plan provision). Releases to State Governments will be made by the Ministry of Finance from this provision.

5.4 During the years 2010-15 transfers to the NDRF established in the Public Account of India will be made by operating the following heads of account: Major Head “2245-Relief on account of Natural Calamities – 80-General-797-Transfers to Reserve Funds and Deposit Account’-Transfer to National Disaster Response Fund.

5.5 Contributions made by any person or institution for the purpose of disaster management will also be credited to the NDRF. Modalities covering such contributions will be prescribed in due course.

### **Arrangements for Monitoring natural calamities**

6.1 The Ministry of Home Affairs will make appropriate arrangements to monitor the occurrences of natural calamities relating to cyclones, earthquakes, fires, floods, tsunami, landslides, avalanches and cloud bursts. Department of Agriculture and Cooperation will make appropriate arrangements to monitor calamities associated with drought, hailstorms and pest attacks.

### **Assessment of Relief Assistance from the NDRF**

7.1 Upon a request made by a State not having adequate balance in its State Disaster Response Fund (SDRF), Ministry of Home Affairs or the Ministry of Agriculture, as the case may *be*, will assess whether a case for additional assistance from NDRF is made out under these guidelines and the approved items and norms of assistance under NDRF/SDRF. The following procedure will be adopted for making such assessment:

- (i) The memorandum of the State Government will be examined to assess the likely requirement of funds as per items and norms of expenditure under SDRF/NDRF. If the preliminary examination reveals that there are adequate funds in SDRF with the State for providing relief as per norms, the State would be advised accordingly.
- (ii) If the preliminary examination reveals that the State is in need of assistance, a Central Team will be deputed for making an on the spot assessment.
- (iii) The report of the Central Team shall be examined by the National Executive Committee (NEC) constituted under section 8 of the DM Act, 2005. The NEC will assess the extent of assistance and expenditure which can be funded from the NDRF, as per the norms of NDRF/SDRF, and make recommendations.
- (iv) Based on the recommendations of NEC, a High Level Committee (HLC) will approve the quantum of immediate relief to be released from NDRF.

### **High Level Committee (HLC)**

8.1 The High Level Committee will be constituted with Finance Minister, Agriculture Minister, Home Minister, and Deputy Chairman, Planning Commission as members. HLC is serviced by the Disaster Management Division of Ministry of Home Affairs.

### **Ministry of Home Affairs to supervise**

9.1 The Ministry of Home Affairs (MHA) shall oversee the utilisation of releases from NDRF for the purposes for which funds have been released and monitor compliance with the guidelines of NDRF. States will need to provide the required information to MHA as per annex \*in this regard.

### **Inadmissible assistance from NDRF**

10. Expenditure from NDRF is meant to assist a State to provide immediate relief in those cases of severe calamity, where the expenditure required is in excess of the balance in the State's SDRF. Expenditure on disaster preparedness, restoration, reconstruction and mitigation should not be a part of SDRF or NDRF, and is to be met from the plan funds.

\*to be provided by MHA

## **Releases to States**

11.1 Upon the approval of HLC, Ministry of Finance will release assistance from NDRF to States.

11.2 Release of assistance to the State Governments from NDRF shall be made from the head "2245 – Relief on account of Natural Calamities – 80-General – 103 -Assistance to States from NDRF" with equivalent amount shown as recovery from the fund maintained in the Public Account under the head – "8235-General and Other Reserve Funds-119 National Disaster Response Fund". Accordingly, nomenclature of the minor-head 103 under Major Head: 2245 will change from "Assistance to States from National Calamity Contingency Fund" to "Assistance to States from National Disaster Response Fund". The amount recovered from NDRF shall be shown as below the line recovery in the Demand for grants no. 35.

11.3 On receipt of funds from the NDRF, the State Government shall treat them as receipts along with the receipts of Central/State shares of State Disaster Response Fund under the major head "1601" - Grants-in- aid from Central Government -01 Non-Plan Grants- 110 Grants from National Disaster Response Fund. The State Government would make suitable budget provision on the expenditure side of their budget under the relevant minor heads under the major head "2245- Relief on Account of Natural Calamities – 80 General-103 Assistance to States from National Disaster Response Fund". The State's SDRF account should distinctly show the receipt of assistance from NDRF apart from the remaining four sources of receipts into the fund; namely (i) Centre's share of State Disaster Response Fund (ii) State's share of Disaster response Fund (iii) Return on investments and (iv) redemption of investments.

11.4 The actual expenditure out of NDRF should be booked under respective minor heads within major head: 2245. Direct expenditure by State Governments from the Public Account should not be made. If for any administrative reason, expenditure on relief by State Governments has been met under a head of account other than MH: 2245, it should be finally booked under MH: 2245 through an inter-account transfer. Deviations from this accounting practice could lead to releases of assistance from NDRF to States being with-held until the above accounting procedure is adopted/reverted to.

11.5 The Pay and Accounts Office, Ministry of Finance shall release payments to the State Governments. The detailed account of the Fund shall be

maintained by the Controller General of Accounts through the Chief Controller of Accounts, Ministry of Finance.

### **Oversight by State Executive Committee**

12.1 The State Executive Committee, constituted by the State Government under section 20 of the Disaster Management Act, 2005, shall be responsible for ensuring that the expenditure incurred out of the funds received under the NDRF is in accordance with the items and norms of expenditure of NDRF/SDRF.

### **Unspent balance in NDRF**

13.1 Government of India will communicate the modalities for handling any balances available at the end of 2014-15 in NDRF.

### **Accounts and Audit**

14.1 The detailed accounts of NDRF shall be maintained by the Controller General of Accounts through the Chief Controller of Accounts, Ministry of Finance.

14.2 The accounts of the NDRF shall be audited annually by Comptroller & Auditor General. The State Government shall furnish a copy of the audit Report of CAG to Ministry of Finance and Ministry of Home Affairs.

### **Saving**

15.1 The Ministry of Home Affairs with the concurrence of Ministry of Finance may amend these guidelines, in such manner as may be required to facilitate smooth operation of immediate relief efforts.
